For all the right connections!

OVERBUILT IS AN UNDERSTATEMENT.™

Decrease The Time And Effort Needed To Connect Water Distribution Pipe With The NEW SharkBite® Connection System!

SharkBite® Push Fittings™ are new from Cash Acme®! The pipe is inserted into the fitting and held in place by several metal “teeth” and a durable O-ring.

That means:

- **Increased ease of use!**
- **Decreased time and effort!**

Plus, joints can only be disassembled with a SharkBite® demount clip. That means they stay put.

Put the power of a SharkBite® in your hands and make your connections the right way. Contact DSG today!
