For all the right connections!

INSUL-TARP®

Insul-Tarp® From Insulation Solutions® And DSG

The most effective product available for insulating under concrete slabs in residential, commercial and agricultural radiant heating systems.

- **Here are more reasons why plumbers are choosing Insul-Tarp® over foam board:**
 - Lightweight, super-durable and easy to carry!
 - No more wasting time with fragile foam board!
 - Easy to cut and modify!
 - All you need is a scissors or a utility knife!
 - No more special tools! Fewer seams!
 - Less taping means more time for other jobs.
 - Effective vapor barrier! No need for a secondary barrier – all you need is Insul-Tarp®.

Work smarter, not harder – ask your local DSG about Insul-Tarp® today!
