For all the right connections!

Solder Without Draining The Entire Water System!

With the NEW Mill-Rose® WATER-GATE® Water Shut-off Tool!

The WATER-GATE® works with full port ball and gate valves to seal off water.

- Change out a valve, solder or glue on fittings, make line repairs and test lines while under pressure with the WATER-GATE®.
- There's no need to shut off water to the rest of the building, drain lines, use bread clogs or freeze lines.

The WATER-GATE® Makes Your Jobs Easier and Much Quicker!

- Replace valves, 90° elbows & “tees”
- Replace pinhole and mid-pipe leaks
- Ideal for refrigeration and boiler applications
- Works on copper, steel, PVC and CPVC lines

It's time to work smart! Contact DSG and find out about the Mill-Rose® WATER-GATE® today!
