MILL-ROSE
Clean-Fit Products

Cut Away Steel, Brass And Plastic Mounting Hardware Swiftly And Safely With Easy Cut Jaws™ From Mill-Rose.

Cuts through countless faucet nuts and still stays strong!
The cutting head is bi-metal with a Rockwell hardness of 60.

Gets the jobs done that other tools can't!

It eliminates frustration from corroded or striped nuts that you get with basin wrenches and other tools.

Works like new – even when it's old!

Clear polymer chip guard is practically indestructible and will collect cutting chips during use.

Plus –

- Two different sizes are available - 10.5" for kitchen, lavatory and bar sinks, or the extended size 15.5" for laundry or utility tubs and deep commercial sinks.
- Fits into all 3/8" and larger size drill chucks.
