REZNOR®

**Reznor® V3 Series Model UEAS Heaters:
Everything You Expect,
Plus Easier Installation, Improved
Efficiency And A New Look!**

Uncomplicated wiring gets installs done on time!

Each size cabinet is easily suspended from four suspension points. The low voltage terminal strip on the outside of the cabinet makes connection control wiring easy, with no panels to remove.

So efficient, it really sells itself!

Designed for up to 93% thermal efficiency, it's proving itself as one of the most efficient heaters in the world. Available in four sizes ranging from 130,000 to 310,000 BTUH gas input.

Visually appealing features will keep your customers' image strong – and they'll thank you for it!

Each heater has a refreshing, new appearance with less visible hardware.

**Keep your customers happy and returning to you,
