## **Give Your Customers The Best Boiler On The Market: The Ultra Compact, High Efficiency Trinity Gas Ti Boiler From NTI!**

### **Easy Installations = Profitable Jobs**

All connections are conveniently located for ease of installation. The Trinity is available in both natural gas and propane versions. Plus, the wall mount configuration saves valuable floor space.

### **NTI Combustion Is Always The Perfect Fit**

NTI's combustion system produces the highest industry modulation rates, which allows the Trinity to modulate the burner to the exact size required to meet the conditions of the system.

### **Fuel Bill Savings Make For Satisfied Customers**

The superb efficiencies and state-of-the-art combustion systems of the Trinity mean little heat is wasted, less natural gas or propane is used and homeowners save money.

### **Lots of Hot Water Means Happier Homeowners**

The Trinity's high-capacity heat exchanger coil provides ample hot water for every household need, at a very low cost to the homeowner.

**Now is the time to put Trinity Gas Ti boilers to work for you! Call DSG today!**
