DAKOTA SUPPLY GROUP  
For all the right connections!

## New From Square D<sup>®</sup> And Telemecanique<sup>™</sup> – *these innovative products are built to last!*

22mm Push Buttons Simplify Installation, Improve Aesthetic Appearance And Revolutionize Maintenance!

- Unique, compact design that requires less panel space and makes installation fast and easy.
- Innovative locking system ensures simple, secure mounting.
- Illuminated units utilize integrated, maintenance-free, protected LEDs that provide an average of 100,000 hours (ten years) of illumination.

Here's why everyone is so excited about the new TeSys<sup>™</sup> D-Line of Contactors, Manual Starter Protectors And Thermal Overload Relays!

- Unique Quickfit system for spring terminals (9 to 32 amps) reduces installation time by up to 50%.
- Low consumption DC coil uses 75% less energy than conventional, DC controlled contactors.
- Control panels generate less heat, to promote longer electrical life of cabinet components.

**Call DSG today to get fast installation for countless jobs from Square D<sup>®</sup> and Telemecanique<sup>™</sup>.**
