## Get Fast, Easy Cutting And Long Spring Life With Lenox® Snips.

Ultimate spring durability for long life!  
Heavy-duty snips have the resilience to dominate job after job. With Reinforced Chrome Silicone valve-quality wire and sharp, precision-formed blades that are ground to a point, they're built to last for a lifetime.

### Comfortable grips are easy on the hands!

Quality cuts mean quality work that will keep customers coming back to you. Over-molded handles won't slip or twist, so you get only precision incisions.

### Quick identification speeds up jobs!

Spend less time on the job by spending less time identifying tools. Snips include arrow icons, and color coding on both blades and handles allows for easy tool recognition.
